Supporting Evidence: On December 1, 2016, the undersigned received notification from the offender's mental health treatment provider that Mr. Gonzales failed to report for a scheduled treatment session, and provided no notification to the provider prior to the meeting. The provider further stated that this type of noncompliance occurred previously, and due to the behavior the offender would not be scheduled again. The service was effectively closed on December 2, 2016, for failure to follow through with the treatment plan.
